## TRICK OR TREAT?

Jack and Bob pumpkins enrich the range of subjects designed to celebrate Halloween night.

Jack is the diamond-cut pumpkin achievable with the classic artisanal production mould, and then there's Bob, with his sinister grin, available in two versions: 3D with hooks for artisanal production and 3D with hooks and plate, for use on rotating machines

*Le zucche Jack e Bob arricchiscono la gamma dei soggetti pensati per festeggiare la notte di Halloween.*

*Jack è la zucca diamantata realizzabile con lo stampo per produzione artigianale classica e poi c'è Bob, con il suo ghigno sinistro, disponibile in due versioni: 3D con ganci per la produzione artigianale e 3D con ganci e placca, per l'utilizzo sulle macchine rotative.*
